ANALYZE ANY KIND OF REAL ESTATE INVESTMENT

AnalysaREI can handle all sorts of income-producing Real Estate (multifamily, commercial, plaxes, etc.). Moreover, the reports produced by (AnalysaREI) are well-illustrated to accurately pinpoint the advantages of living in a plex rather than renting an apartment.

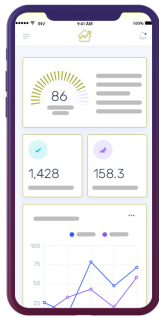

Multifamily or commercial properties can also be analyzed, regardless of their size, thanks to special features that adapt to the building's type. For a residential lease, you should enter the number of rooms, the apartment's surface, the rent, included services, etc. While gathering information to register a commercial lease, you will be able to enter even more specifications according to the rent such as common space, occupied space, initial rent cost, operating expenses, etc.

UNLIMITED APARTMENT
